**Program Requirements**

In addition to the **thesis**, a minimum **18** (normally six *3 courses) will usually be required for the degree. The exact number of courses and their areas shall be determined on an individual basis.

For graduate students in Chinese, Korean, Japanese, and East Asian Studies, graduate courses from other departments that can strengthen the degree may be counted as part of the program. For example, for students in literature, courses in Western literary theory or other appropriate graduate-level courses in Comparative Literature, Women's Studies, or English may be considered as part of the degree. The final choice and number of such courses to be counted will be at the recommendation of the student’s advisor and at the discretion of the Department’s Graduate Studies Committee.

**Length of Program**

The time required to complete the M.A. programs will vary with the individual candidate. It is assumed a candidate will normally complete the program requirements in two years. The time limit for completing the M.A. degree is four years from the date of registration in the program. Residency requirements involve full-time enrolment for two terms.
