Student Responsibilities:

Academic Integrity:
The University of Alberta is committed to the highest standards of academic integrity and honesty. Students are expected to be familiar with these standards regarding academic honesty and to uphold the policies of the University in this respect. Students are particularly urged to familiarize themselves with the provisions of the Code of Student Behaviour (online at www.governance.ualberta.ca) and avoid any behaviour that could potentially result in suspicions of cheating, plagiarism, misrepresentation of facts and/or participation in an offence. Academic dishonesty is a serious offence and can result in suspension or expulsion from the University.

All students should consult the Academic Integrity website. If you have any questions, ask your instructor.

An instructor or coordinator who is convinced that a student has handed in work that he or she could not possibly reproduce without outside assistance is obliged, out of consideration of fairness to other students, to report the case to the Associate Dean of the Faculty. See the Academic Discipline Process.

Learning and Working Environment:
The Faculty of Arts is committed to ensuring all students; faculty and staff are able to study and work in an environment that is safe and free from discrimination and harassment. It does not tolerate behaviour that undermines that environment. The Department urges anyone who feels that this policy is being violated to:

- Discuss the matter with the person whose behaviour is causing concern; or
- If that discussion is unsatisfactory, or there is concern that direct discussion is inappropriate or threatening, discuss it with the Chair of the Department.

For additional advice or assistance regarding this policy you may contact the Office of the Student Ombuds. Information about the University of Alberta Discrimination and Harassment Policy and Procedures is described in UAPPOL.

Territorial Statement:
“The University of Alberta acknowledges that we are located on Treaty 6 territory, and respects the histories, languages, and cultures of the First Nations, Métis, Inuit, and all First Peoples of Canada, whose presence continues to enrich our vibrant community” (from the beginning of the Calendar).

University of Alberta Sexual Violence Policy:
The Sexual Violence Policy was approved by GFC in June 2017. It plays a vital role in ensuring a safe and respectful learning and working environment. As defined in the
policy, **sexual violence** is any sexual act or act of a sexual nature, or act targeting sexuality, whether physical or psychological, committed without consent. **Sexual violence** is a complex and serious problem in society and on university campuses. Sexual violence can affect individuals of all gender identities, gender expressions, and sexual orientations, as well as those from all ages, abilities, racial, cultural and economic backgrounds. Through this policy, the University of Alberta recognizes its responsibility to reduce sexual violence in the University community. The university aims to do so by fostering a culture of **consent** and support through education, training and policy. The University recognizes the possible effects of trauma on those who have experienced sexual violence and supports the efforts of individuals to seek support and recover.

**Recording of Lectures:**
Audio or video recording, digital or otherwise, of lectures, labs, seminars or any other teaching environment by students is allowed only with the prior written consent of the instructor or as a part of an approved accommodation plan. Student or instructor content, digital or otherwise, created and/or used within the context of the course is to be used solely for personal study, and is not to be used or distributed for any other purpose without prior written consent from the content author(s).

**Attendance, Absences, and Missed Grade Components:**
Regular attendance is essential for optimal performance in any course. In cases of potentially excusable absences due to illness or domestic affliction, notify your instructor by e-mail within two days. Regarding absences that may be excusable and procedures for addressing course components missed as a result, consult sections [Attendance](#) and [Examinations](#) of the University Calendar. Be aware that unexcused absences will result in partial or total loss of the grade for the “attendance and participation” component(s) of a course, as well as for any assignments that are not handed-in or completed as a result.

Deferral of term work is a privilege and not a right; there is no guarantee that a deferral will be granted. Misrepresentation of facts to gain a deferral is a serious breach of the Code of Student Behaviour.

**In this course**, 5% of the total course grade will be assigned for in-class participation.

**Policy for Late Assignments:**
A late penalty of 5% per calendar day late will be imposed on tardy written submissions. The condition of being “busy” is not a valid excuse for tardiness. Effective time management is an important element of successful university-level studies.

**Disclaimer:**
Any typographical errors in this syllabus are subject to change and will be announced in class and posted on eClass. The date of the final examination is set by the Registrar and takes precedence over the final examination date reported in this syllabus.

**Grading:**
Assessment of the individual course components may be in the form of numerical marks or letter grades. The final letter grade will be based on "a combination of absolute achievement and relative performance in a class" (University Calendar, [Evaluation Procedures and Grading System](https://policiesonline.ualberta.ca/)). The University Grading Procedure mandates that "a student’s level of achievement of the goals/outcomes of a course, their grade, and the descriptor of that grade must be aligned" ([https://policiesonline.ualberta.ca/](https://policiesonline.ualberta.ca/)). The following guidelines have been adopted by the Department of Modern Languages and Cultural Studies:
Representative Evaluative Course Material

The final examination will be of two-hour duration and will be a formal sit-down exercise. It will require the writing of two essays that respond to questions such as those below. The essays must be articulate and well-organized; they must make specific references to the literary work(s). There will be limited choice of essay questions; that is, for example, you will be directed to write on two of four essay topics, or two of three, as the case may be depending on the generality of the questions themselves. Your grade will depend, in part, on the compositional quality of your essays. The final examination will cover the material of the entire course. Please consult me if you are unclear about the requirements of the final examination.
