## Happy Holidays from Science!

Congratulations on your admission to the Faculty of Science, you have much to be proud of! From now on, expect monthly emails from us to keep you in the loop and assist with next steps.

### Meet the Science Recruitment Team

Katherine, Matt and Oksana have some words of wisdom to share...

[Read More](#)

### How do Science students unwind during the holidays?

- Catch up on sleep
- Have a nice meal
- Nonstop Netflix
- Organic chemistry mechanisms for fun
- Gaming with friends
- Baking cookies
- Doing something that makes me happy
- A chai at [Remedy](#)

If you would like to submit a question to current Science students, email your suggestions to [science.recruiting@ualberta.ca](mailto:science.recruiting@ualberta.ca).

## INSIDE SCOOP

**What are our students best study/exam tips?**

- Make a study plan and try to follow it, taking 5 min breaks in-between
- Use the Pomodoro timer
- Don't cram!
- Get 8hr of sleep the night before
- Utilize chem/math help rooms and office hours
- Don't procrastinate
- Practice problems
- Hand write your notes

Are you curious about something specific in the Faculty of Science? If so, email your suggestions to [science.recruiting@ualberta.ca](mailto:science.recruiting@ualberta.ca).
