READY TO APPLY?

Applying to university doesn't have to be complicated – visit uab.ca/apply for answers to frequently asked questions and videos to guide you through the application process.

1. CHOOSE YOUR PROGRAM(S)

Explore and compare program and campus options, take our personalized program quiz, review program requirements and check your eligibility, all in one place: uab.ca/programs. You can also visit uab.ca/averages for historical admission average range trends.

Tip: We recommend selecting two program choices as priorities on your application for the best chance of receiving an admission offer.

2. SUBMIT YOUR APPLICATION

You can apply to the U of A starting October 1 of your grade 12 year. As part of the application process, you will report your completed grade 11 and 12 courses and your final marks in these courses, along with any grade 12 courses you are taking and are planning to take. uab.ca/apply

Set yourself up for application success by watching our videos at uab.ca/apphelp

APPLY FOR SCHOLARSHIPS

After you apply for admission you will receive a unique student number and a Campus Computing ID (CCID) you can use to apply for scholarships. The deadline to apply for application-based scholarships and awards is **January 10, 2024**. uab.ca/awards

APPLY FOR RESIDENCE

April 30 is the deadline to guarantee a spot in our first-year student housing. Apply on your application for admission, or at uab.ca/residence

3. UNDERSTAND EVALUATION

Admission to the U of A is competitive and on-going - meaning some students can receive an admission offer as early as October. Admission averages are calculated using the five required courses for your program(s) of choice, informed by the courses and final marks included on your application. Where final grade 12 marks are unavailable, the final mark in the equivalent grade 11 course will be used. Admission offers may be made based on final grade 11 marks.

4. CHECK YOUR STATUS

After applying, you will have access to UAlberta Launchpad. Here you can check your application status, submit outstanding documents, update new final marks and review any checklist items for your program. We will also assign you a U of A email address to check for notifications or correspondence. uab.ca/aftapp

5. ACCEPT YOUR OFFER

Once you receive an admission offer, you must accept it and pay the tuition deposit by the deadline stated in Launchpad. Accept your residence offer as well! uab.ca/accept You will now have access to log into Bear Tracks with your student ID and CCID to accept offers for scholarships and awards. uab.ca/beartracks

TAKE NOTE

Alberta Applicants: Your final Alberta high school transcripts will be sent on your behalf when you apply through ApplyAlberta.

Out-of-Province Students: Your transcripts may not be transferred automatically to the university. Please ensure they are sent to and received by the University of Alberta. uab.ca/aftapp

International Students: You must obtain a new study permit for post-secondary studies, even if you already have a high school study permit. uab.ca/studypermit

ENGLISH LANGUAGE PROFICIENCY

You must possess the required level of English Language Proficiency (ELP) in order to be granted admission (except for French-language programs, which require FLP). There are several ways to demonstrate ELP. uab.ca/language reqs
