The screenshot shows the library website's search interface. At the top, the University of Alberta logo and 'Library' text are on the left, and a 'Français' link and search icon are on the right. Below this is a navigation bar with links for 'Library Services', 'Subject Guides', 'Hours + Locations', 'My Account', and 'Ask Us'. The main content area features a large search box with the text 'SEARCH THE LIBRARY' and a checkbox for 'Limit search to library catalogue'. The search box contains the placeholder text 'Search articles, books, journals and media'. A red callout box labeled 'BOOKS' points to the search box. Below the search box are links for 'Advanced Search' and 'Guest Catalogue'. Underneath, a section titled 'More Research Tools:' contains four buttons: 'DATABASES', 'EJOURNALS', 'GOOGLE SCHOLAR', and 'SUBJECT GUIDES'. A second red callout box labeled 'ARTICLES, REPORTS, DATA' points to the 'GOOGLE SCHOLAR' button. At the bottom, a 'FEATURED SERVICES' section contains five buttons: 'HOW TO USE THE LIBRARY', 'CITATION HELP', 'BOOK STUDY ROOM', 'COURSE MATERIALS + READING LISTS', and 'ALL LIBRARY SERVICES'.
