Board Secretary and Manager of Board Services	University Governance
	University Governance

### **Copies of Meeting Materials:**

Provost & Vice-President (Academic)	Office of the Provost
University Secretary	University Governance
Director, Investments & Treasury	Finance and Administration

### **Objective:**

The Registrar's Advisory Committee on Fees (RACF) is a high level technical and advisory committee. RACF reports to the Provost and Vice-President Academic and advises the University including Departments, Faculties, and the Senior Administration with respect to the development and implementation of University policies relating to instructional, non-instructional and services fees and budgets for students, courses, and programs.

### **Mandate:**

- Solicit, consider, and provide direction and advice on proposals for the establishment of or changes to non tuition fees.
- Establish and publish annual timelines and procedures for changes to fees in the following categories:
- cost recovery fees
- alternate delivery fees
- student instructional support fees

- non-instructional fees such as, but not limited to application fees (e.g. Business, PGDE)
- Provide initial budget scrutiny and general advice on budget related items such as:
  - fee policies
  - new program proposals
  - funding and resource planning for existing programs
- Determine tax implications of proposals and ensure Finance is aware of which fees would be recorded on a student's T2202A
- Declare a fee proposal "in order" once the fee proposal has been presented to and reviewed by RACF with any required changes completed
- Direct proposals to the appropriate approval route based on policy for any fees that may impact a student's assessment.
- Maintain and review the annual fee schedules (instructional, non-instructional, cost recovery/revenue generation, alternate delivery, and mandatory student instructional support) for accuracy
- Recommend, prepare and submit fee packages for governance approvals
- Assess and propose policy updates to fee policies (cost recovery/revenue generation, alternate delivery, and student instructional support fees)

Serve as a forum for the discussion of new ideas and perceived problems with fee definitions and assessments, new program budgets and existing program resources

**Out of Scope:**

- Involvement in the annual tuition debate
- Detailed review of proposed budgets associated for new fee proposals and program budgets
- Determining the amount and/or appropriateness of items included in budgets

**Meeting Support:**

- Administrative support is provided by the Office of the Registrar.
- Minutes for the meetings are taken by Executive Assistant, Office of the Registrar
- Committee members will be provided with an agenda and supporting documents at least 1 week prior to the meeting date. Other supporting documents may be supplied at the meeting if the presenting department is providing the documentation.

**Meeting Schedule:**

The committee will meet monthly generally the fourth Tuesday of each month. Meetings may be suspended in the summer months.
