40 The Faculty of Arts

In 1908, the University was founded and the Faculty of Art and Science opened its doors.

That year, we had 45 students and four professors in English, modern languages, history and mathematics. Today, the Faculty of Arts is entrusted with the education of approximately 6,000 undergraduate students and with the specialized advanced education of nearly 800 graduate students. Our world-renowned professors instruct students in over 20 departments and interdisciplinary programs, ranging from Drama, Art & Design and English to Linguistics and Psychology.

The Faculty undertakes ground breaking research that examines all aspects of the human experience. Our scholarship and creative work in the humanities, social sciences and fine arts are recognized nationally and internationally.

An Arts education at the U of A is a transformative experience. It gives our students the opportunity to develop skills that open doors and create limitless opportunities when they graduate:

- The ability to identify and solve problems
- The ability to pose questions that advance understanding and foster investigation
- The ability to conduct original research and to organize complex information
- Analytical, critical and creative thinking
- Effective oral and written expression
- Critical and reflective reading
- A desire for life-long learning; the exercise of independent judgment and ethical decision making
- The experience of setting personal goals, managing time, and developing the self-confidence necessary for success
- A sensitivity to individuals and respect for cultural differences in groups
- An informed openness to the information technologies

Our graduates learn to listen, to think critically and rationally, to communicate effectively, to work independently and in teams, and to make reasoned value judgments. They are knowledgeable about the past and prepared to examine the future. They approach the dynamic global culture with experience in other languages and in the study of societies and cultures. Our graduates are engaged and creative citizens – people with the critical skills to tackle complex global problems, and the creativity to envision and pursue a different world.

42.2 Admission and Transfer

The admission and transfer requirements of the Faculty of Arts are in §15.2 with additional general admission information in §§13 to 14.

- Preprofessional Programs:** There are no preprofessional programs, as such, in the Faculty of Arts. Students admitted to a Faculty of Arts program who plan to transfer later to a professional program in another Faculty must satisfy Faculty requirements while they are registered in this Faculty. Students planning to transfer should consult the Calendar or Counsellors of the relevant Faculty for advice concerning courses which satisfy the requirements of both programs.
- Residence Requirement:** Students taking a ★120 program in the Faculty of Arts must have credit in at least ★60 offered by the University of Alberta. Students in a ★123 or ★126 program must have credit in at least ★63 offered by the University. Those in a ★129 or ★132 program must have credit in at least ★66 offered by the University of Alberta. Also refer to §23.2, and the specific program requirements in §43.
- Letter of Permission:** Following initial admission, students are expected to complete all remaining program requirements at the University of Alberta. For academically justifiable reasons such as planned participation in an Exchange or language Bursary program, or to partake in an international or cultural experience, it is possible to receive a Letter of Permission to take courses at another institution. To apply for a Letter of Permission students must:
 - be eligible to register in a degree program in the Faculty of Arts; and
 - have successfully completed a minimum of ★24 at the University of Alberta; and
 - present "Satisfactory" academic standing.

Approval will **not** be granted for requests where the student has already received the maximum allowable transfer courses (★60). The Faculty is not obligated to grant transfer credit unless a Letter of Permission was obtained in advance of studying elsewhere. Qualified students should contact the Undergraduate Student Services Office, 6-5 Humanities Centre, to apply for a Letter of Permission. Students who wish to apply for Exchange programs must obtain the appropriate forms from the appropriate office (usually the Education Abroad Program).
- Exchange Programs:** For students already admitted to a degree program in the Faculty of Arts who are participating in approved programs, credit will be considered on a credit-fail (CR-F) basis only. Grades achieved in such courses will not be included in promotion or graduation average calculations, but are included when assessing admission and transfer to other programs.

42 Regulations for Students

Students should review the regulations of the Faculty of Arts in conjunction with the University Regulations and Information for Students §§11 to 26, inclusive.

42.1 Important Dates

- Admission to the Faculty of Arts**
Refer to §12.7.
- Transfer to the Faculty of Arts from Another Faculty in the University**
Refer to §12.7.
Students registered in Fall Term in another Faculty may not officially transfer to the Faculty of Arts for Winter Term but may complete an *Application for Readmission or Internal Transfer* form to transfer to the Faculty of Arts for a subsequent Fall/Winter.
Even though formal transfer for Winter Term cannot be approved, changes in program can sometimes be arranged to maximize transferable credits for later use. Students should contact the Undergraduate Student Services Office for advice [6-5 Humanities, (780) 492-4295, e-mail: arts.undergrad@ualberta.ca].
- Course Add, Drop, Withdrawal Deadlines**
Refer to §11.
- Application to Receive a Degree**
Fall Convocation: September 1
Spring Convocation: February 1
Early application is encouraged (October 15 for Spring Convocation, April 15 for Fall Convocation and August 15 for those completing programs in Fall Term) so students can be assured in advance of their final terms that their course selections will make them eligible for convocation.
- Other Important Deadlines**
Refer to §11.

42.3 Registration Information

Students register in all programs in the Faculty of Arts using Bear Tracks. Please note the following:

- Check deadlines carefully as they are strictly enforced. See §§11 and 22.1.
- Student Responsibility:** Students are responsible for familiarizing themselves with program requirements and limitations as specified in the Calendar and for ensuring their programs are properly planned in accordance with degree specifications. Please read the Calendar carefully before registering in courses, and if you are in doubt about any regulations pertaining to your program, consult the Undergraduate Student Services Office (6-5 Humanities, 780-492-4295, e-mail: arts.undergrad@ualberta.ca) for clarification.
- Course Load Requirement:** Normally, students in the Faculty of Arts take a full course load of ★15 per term during Fall/Winter and may take up to ★6 per term in Spring/Summer. However, it should be noted that in the BA program, there is no requirement that a full course load must be taken; students in that program may elect to carry a reduced course load without Faculty approval. Students in other Arts programs should consult the relevant department entry in §43.4 through §43.13 as well as their Department Advisor for advice on minimum course load requirements for those programs. A student is considered to be a full-time student when carrying a course load of ★9 per term. Students are expected to select an appropriate course load taking into consideration work, family responsibilities, or other outside commitments, as well as regulations pertaining to eligibility for University and Faculty Awards.
In exceptional circumstances, and following completion of the first ★30, acceleration to the maximum of ★18 per term during Fall/Winter and ★9 per term during Spring/Summer may be permitted by the Faculty; however,

requests to accelerate are not granted to students who are not in Satisfactory Academic Standing (see §42.6).

As well, students who are not in Satisfactory Academic Standing are normally required by the Faculty to carry a **reduced** course load (i.e., less than ★15 per term) during the Fall/Winter and may be prohibited from taking Spring/Summer courses until their academic performance improves and satisfactory standing is attained.

Students who have outstanding Fall/Winter deferred examinations to be written during the July deferred examination period (see §23.5.6) are also normally not permitted to register in any Summer Term courses. The successful completion of the outstanding deferred examination(s) must be the priority.

- (4) **Failure to “drop” a course:** Students who do not formally withdraw from a course but who are absent from the final examination without excuse [see §23.3(2)] will be given a mark of zero (0) on the final examination. The final grade in the course will then be determined by combining the appropriately weighted term grade and the assigned zero in the final examination, the mathematical result rounded to the lowest whole number. Students who register in a course but do not attend, do not submit term work or write term exams, and do not formally withdraw will receive a grade of F1.
- (5) **Courses:** Faculty of Arts courses are listed in §231, Course Listings, under the following subject headings:

- AREC 473
 AREC 482
 AREC 485
 AREC 487
 R SOC 355
 R SOC 450

Faculté Saint-Jean

Many Arts courses are also offered in French at Faculté Saint-Jean. Faculté Saint-Jean allows students to pursue university studies in a French environment. The University thus hopes to foster French culture in Alberta and to allow more students to master the two official languages of Canada. For further information, consult the Faculté Saint-Jean section of the Calendar and Course Listings.

42.4 Advanced Placement

Students who do not hold credit in prerequisite courses, but who feel they have sufficient knowledge, may be permitted registration in a senior-level course on successful completion of a placement test. For further particulars, contact the department offering the senior-level course. These tests are normally conducted for language courses. Also refer to §§14.2.3, 22.1.4 and 42.5(2)e.

42.5 Credit by Special Assessment

Note: See also §14.2.4.

Credit by Special Assessment permits students to receive degree credit in specified courses without actually registering in and taking courses if the student can demonstrate an acceptable level of mastery of the course content.

Students admitted to a degree program in the Faculty of Arts may receive degree credit in a limited number of courses for knowledge or skill obtained in a non-university context or by private study. “Non-university context” may include work completed at institutions not accredited for degree purposes or may refer to periods of work experience that bear relationship to university courses. The following conditions apply:

- (1) **Basis of Application**
 - a. Students may apply for Credit by Special Assessment on the basis of knowledge gained in a “non-university context” following admission to a degree program.
 - b. Students may apply for Credit by Special Assessment on the basis of knowledge gained in “private study” following the successful completion of a minimum of ★24 in their degree program.
- (2) **Limits**
 - a. Departments are not required to offer Credit by Special Assessment in all courses. Courses which have a significant practical component, such as laboratory or studio work, or courses requiring substantial writing may not be eligible for Credit by Special Assessment. The course level, and in some cases the specific course, to be challenged will be determined by the Department.
 - b. A maximum of ★12 may be obtained through Credit by Special Assessment, of which no more than ★6 may be in Language-other-than-English courses. In the case of Language-other-than-English courses, only those numbered 150 or higher are open to Credit by Special Assessment. Where Language-other-than-English courses at the 300- or 400-level (or higher) have already been completed, a student may not subsequently attempt by Special Assessment any courses at a lower (e.g., 200- or 300-) level.
 - c. Students may attempt Credit by Special Assessment only once in each course.
 - d. The number of attempts to obtain Credit by Special Assessment is restricted to a maximum of ★12. **Note:** This limits the number of courses that may be challenged, regardless of results. Cancelled applications are considered an attempt to obtain credit and will be included in this maximum.
 - e. Students seeking credit in a prerequisite to a course in which they intend to register must complete the Credit by Special Assessment examination

before the start of classes in the advanced course. Similarly, in cases where “advance placement” in a prerequisite course has been given, students may also seek Credit by Special Assessment in the prerequisite course, but must also complete the special assessment examination before the start of classes in the advanced course.

- f. Graduate courses and Honors courses (i.e., those open only to Honors students and specified as such in the Calendar) cannot be attempted by Special Assessment.
 - g. Courses which have previously been audited, or in which the student has withdrawn, may not subsequently be attempted by Special Assessment.
- (3) **Deadline for Completion:** The deadline for completion of the examination and assessment is one month from the date of approval of the application for Credit by Special Assessment. Students who fail to complete assessment requirements by the specified deadline will be considered to have cancelled their application.
- (4) **Grading**
- a. In a course attempted by special assessment, the results will be recorded, either as a letter grade or pass/fail according to the practice in the regular course.
 - b. All grades obtained in attempts by special assessment, including failures, will be recorded on the transcript of the students concerned and will be computed into the student academic record (i.e., academic standing, promotion, and graduation requirements).
 - c. Students may not appeal the results in a course attempted by special assessment.
- (5) **Transfer of Credit by Special Assessment:** Students who have obtained credits by special assessment (or similar means) while enrolled in another accredited university, college, Faculty, or school, will be given advance credit in such courses if the course is applicable within the requirements and limitations of the Arts program specified above.
- (6) **Fee:** A fee is required for each course in which credit by special assessment is sought, and must be paid before the department concerned undertakes the special assessment. Refer to §22.2 for fee information. **Note:** Amount of this fee is subject to change.

42.6 Academic Standing and Graduation

- (1) **Academic Standing** for all students registered in the Faculty of Arts is assessed on the basis of a Grade Point Average (GPA) calculated on courses taken in Fall/Winter terms. See §§23.4(7) and 23.9.2 for information on calculation of GPAs and the academic record. See §§43.4 to 43.13 for detailed academic standing, promotion and graduation regulations for the following programs: BA (Criminology), BDesign, BFA, BMusic, BMusic/BEd, BA(Drama)/BEd Combined program, and BA Honors programs.

Initial assessment and subsequent reassessment of academic standing is based on students' performance in a minimum of ★9 in Fall/Winter Terms. Students who take courses only in Fall or only in Winter Terms are subject to assessment. Courses taken in Spring/Summer Terms are excluded from the assessment. If a student attempts fewer than ★9 the review is deferred and the academic standing assigned at the last review remains in effect until the next Fall/Winter review.

Academic standing is assessed at the end of each student's program even if less than ★9 have been taken since the last review. The GPA is printed on the University of Alberta transcript and final grades are available on the Bear Tracks record that students are responsible to review at the end of each term.

- (2) **Assessment of Academic standing**

- a. **Satisfactory Standing (GPA 2.0 and above):** Students who maintain a satisfactory standing are permitted to continue their studies in the Faculty of Arts.

Note: Effective 2015–2016, students in the BA Program with a major in Economics are required to maintain a 2.3 GPA each Fall/Winter. Students with an Economics major who earn a GPA in the satisfactory range but less than 2.3 are permitted to continue in the BA program, but are required to select a different major.

Students who wish to return to the Economics Major must present a GPA of 2.3 on a minimum of ★9 in a subsequent Fall/Winter.

- b. **Marginal Standing (GPA 1.7 to 1.9 inclusive):** Students receiving the first assessment of marginal standing are permitted to continue, under academic warning. Only one period of attendance on Academic Warning will be permitted while registered in the Faculty of Arts. Any

subsequent assessment of Marginal Standing will result in a requirement to withdraw.

Note: Students under academic warning are only permitted to interrupt their programs with the prior, written permission from the Associate Dean (Student Programs). If students on academic warning interrupt their programs for more than 12 months without prior approval, readmission will normally not be granted unless the student meets the current readmission criteria.

- c. **Unsatisfactory Standing (GPA 1.6 and below):** Students receiving an unsatisfactory standing are required to withdraw from the Faculty of Arts. See §42.7 for information on academic appeal regulations.

Students who are required to withdraw from the Faculty at the end of Fall/Winter cannot register for subsequent terms. Registrations for students who register for Summer Term prior to the requirement to withdraw will be cancelled without penalty. Students who have already registered in Spring Term prior to receiving notification of the requirement to withdraw will be permitted to continue until the end of Spring Term, or may choose to withdraw from Spring courses.

- (3) **Fresh Start Program:** Students who have attempted fewer than ★60 and who have earned a GPA between 1.3 and 1.6 may be eligible for admission to the Fresh Start program. Students must be recommended by the Faculty for participation in the Fresh Start program. Further information can be found in §§14.5, 23.6.2 and 220.5.

- (4) **Readmission after a Requirement to Withdraw:** Refer to §15.2.13 for information on the regulations pertaining to readmission to the Faculty of Arts after a requirement to withdraw.

- (5) **Probation:** Students who have been required to withdraw and who have successfully appealed that decision will be placed on Probation (See also §23.6.2).

- a. Probationary students complete a minimum of ★24 with a GPA of 2.0 or higher.
- b. Probationary students may not take any more than ★12 in each of Fall and Winter Terms.
- c. Probationary students may take more than one set of Fall/Winter Terms to complete probation, but courses taken in Spring and Summer are excluded from the assessment.
- d. Probationary students may also be subject to other requirements as specified by the Associate Dean (Student Programs)

Note: The probationary GPA for students who take longer than one Fall/Winter to complete probationary requirements and who take more than ★24 during the period of probation may be based on more than ★24. Grades for all courses completed in Fall/Winter Terms during the probationary period are used.

Probationary students who fail to attain the GPA and other requirements for probation as specified by the Associate Dean will fail Probation and will be required to withdraw from the Faculty of Arts without appeal. Only one period of Probation is allowed while registered in the Faculty of Arts. Students who have cleared Probation and whose GPA at the end of a subsequent Fall/Winter falls below 2.0 will not be permitted to continue on Academic Warning, nor will they be allowed a second period of Probation. Such students are required to withdraw from the Faculty of Arts.

- (6) **Extension to the Graduating Year:** Students who have successfully completed at least ★120 but who do not meet program requirements for graduation, and who are otherwise eligible to continue in their program of study, may continue to register until graduation requirements are met. Students who have successfully completed at least ★120 but who have Unsatisfactory standing (i.e., Required to Withdraw) for the first time, may appeal to be allowed to complete additional classes in order to meet graduation requirements. Probationary requirements will be set by the Associate Dean.

- (7) **First-Class Standing:** First-class standing is awarded to any student, regardless of program, who earns a GPA of at least 3.5 either while enrolled in a full, normal academic load (minimum ★30) during the Fall/Winter Terms or on a minimum of ★15 in Fall Term (if not enrolled in Winter Term) or in Winter Term (if not enrolled in Fall). This is also referred to as the Dean's Honors List.

Graduation Requirements

Application to Convocate: Students wishing to receive a Faculty of Arts degree at an upcoming convocation must apply for graduation on Bear Tracks (<https://www.beartracks.ualberta.ca>) in accordance with the deadlines specified in §11. Also see §23.7.

Degree Requirements: These requirements vary from program to program within the Faculty of Arts and are presented with the details of the relevant program in §§43 and 44.

Degrees with Distinction and First-Class Honors: For regulations concerning the awarding of Degrees With Distinction, see the requirements for specific programs in §43. For regulations concerning the awarding of First-Class Honors to students graduating with a Bachelor of Arts degree with Honors, see §43.6.

42.7 Appeals and Assistance

For students who experience difficulties, the Faculty and the University have a number of policies to identify and resolve the issues. Copies of grade appeal and academic appeal procedures and regulations are available from the Undergraduate Student Services Office, Faculty of Arts (6-5 Humanities), or on the Faculty of Arts website (www.foa.ualberta.ca). The following advice is provided for students who have difficulties in the following areas:

- (1) Academic skills development: Tutoring assistance in study skills, writing skills or mathematics proficiency is available. Contact the Academic Support Centre regarding Learning Resources, Effective Writing and Computer Resources Programs, see §24.16. The Centre for Writers also offers writing support to all students (www.c4w.arts.ualberta.ca)
- (2) Grade Evaluation in a particular course—appeals process: Appeals regarding students' standing in a particular course must first be directed to the instructor concerned. Frequently, the issue can be resolved at this level. If not, the appeal must then be directed to the Chair of the Department offering the course. Final recourse is available to the Faculty of Arts Academic and Grade Appeals Committee. If a final grade is in dispute, in whole or in part because of the grade for the final examination, the student must apply for a formal reappraisal of the exam. The deadlines to initiate a grade appeal with the instructor are February 1 for Fall courses, June 25 for Winter or two-term Fall/Winter courses, and within 30 calendar days after the publication (i.e., posting) of results in the Department for Spring/Summer courses. Note: that these same deadlines apply for initiating a reappraisal of a final exam. In the event the issue is not resolved with the instructor or Chair, a formal Grade Appeal may be initiated with the Faculty provided the written appeal is received by the Associate Dean (Student Programs) no later than March 1 for a Fall course, July 25 for Winter or two-term Fall/Winter courses, and within 60 calendar days after the publication (i.e., posting) of results in the Department for Spring/Summer courses.
If the above deadlines are not observed, no further recourse is available.
Copies of the complete grade appeal and academic appeal procedures and regulations are available from the Undergraduate Student Services Office, Faculty of Arts (6-5 Humanities), or on the Faculty of Arts website (www.foa.ualberta.ca).
- (3) Reexamination: See §23.5.5 (reexaminations).
- (4) Missed examinations: See §23.3(2).
- (5) Academic Standing or graduation eligibility—appeal process: Students who wish to appeal a ruling affecting their academic standing or graduation eligibility should direct their appeal in the first instance to the Associate Dean (Student Programs). Recourse is then available to the Faculty of Arts Academic Appeals Committee and the General Faculties Council Academic Appeals Committee, in that order. Further information on such appeals is available in §23.8. Also see §42.6.
- (6) Academic offences: A breach of the Code of Student Behavior (for example, plagiarism or cheating) may result in serious penalties. For further information, see §25.

43.2 General Program Information

Courses that are requirements of one program only are listed under the particular degree or certificate program in §§43.3–43.14 and 44.

(1) Course Definitions

- Units of Course Weight:** A unit of course weight indicates the instructional credit assigned to a course and is designated by the ★ symbol after the course number and name. Units of course weight form a part of the degree requirements and are also used in calculating a student's Grade Point Average (GPA).
- Two-term Course:** A two-term course is a course with a course weight of ★6 that normally extends over two consecutive University terms.
- Term Course:** A term course is a course with a course weight of ★3 that normally extends over one University term.
- Junior Course:** Effective September 1990, all courses offered by the Faculty of Arts numbered 199 or lower are junior-level courses. Before that, all courses offered by Arts numbered 299 or lower were junior-level courses. For courses in all other Faculties, the course numbering in effect in that Faculty at the time the course was taken will apply.
- Senior Courses:** Those courses numbered 200 to 599.
- Normal Course Load:** A normal full academic course load is ★30 during the Fall/Winter.
- Courses Extra to the Degree:** Courses successfully completed while registered in a program in the Faculty of Arts which are not being used for degree credit are known as courses extra to the degree. Such courses are, however, included in the assessment of academic standing (see §42.6).
- Minimum Passing Grade:** The minimum passing grade in University of Alberta undergraduate courses is a D. The minimum final grade for transfer of courses from other postsecondary institutions is C-.

(2) Options

- Arts or Science Options:** The term "option" where it appears in programs means an Arts or Science course chosen by the student if the necessary prerequisite requirements have been met. An "approved option" in all programs is an option approved by the department directing the program of the students concerned. Also refer to point b.
- Non-Arts or Non-Science Options** (i.e., courses not offered by the Faculties of Arts or Science): Students registered in programs in the Faculty of Arts will normally select their courses from those offered by the Faculties of Arts or Science, including the Arts and Science courses offered by Faculté Saint-Jean, the Faculty of Native Studies or Augustana Faculty. Students registered in any program other than the BFA or BMus may take up to ★18 (as options) in Faculties other than Arts and Science. These courses, when taken for credit toward the Arts degree, are subject to the following restrictions:
 - The courses may not be used to satisfy the requirements of a junior English course.
 - Their inclusion in a program is subject to Faculty limitations on the number of junior courses and non-Arts courses that may be offered for credit.
 - The courses must, in each case, carry a minimum unit of course weight of three (★3). Two courses in the same Faculty, each with a weight of ★1.5, will be accepted as the equivalent of one course with a weight of ★3.
Students in the BDes, BFA or BMus programs should refer to the specific program requirements in §§43.7, 43.8, 43.9, and 43.10 for

regulations regarding non-Arts or non-Science options permitted (if any) in those programs.

- Courses in Christian Theology offered by St Joseph's College (CHRTC) and St Stephen's College (CH RTP) may be taken as Arts options in all Arts programs.
 - Selected courses offered by the Faculty of Agricultural, Life and Environmental Sciences are applied as Faculty of Arts options rather than non-Arts or Science options. See §42.3.
- Restricted Enrolment Courses:** The Faculty of Arts strives to accommodate all students wishing to enrol in a given course when it is appropriate to their program; however, classes in some courses must, for academic reasons, be restricted in size. If such a course is found to be oversubscribed, priority in registration will be given to those students whose programs may require it (e.g., majors and/or minors) and then to other students as space permits.
 - Junior Courses:** No more than ★48 may be taken at the junior level except for the BMus program for which the maximum permitted junior level courses are outlined in §43.10.
 - Junior English Requirement:** Normally, no more than ★6 in junior English may be offered for credit in an undergraduate program.

43.3 Bachelor of Arts (BA)

★120 required

This degree is designed to provide students with a diversified education and specialization in at least one subject. Students must complete either a major and a minor, or a double major. Also see §44 for Major and Minor Requirements.

Residence Requirement: In the ★120 to complete the degree, the following must be included:

- a minimum of ★63 offered by the Faculty of Arts;
- ★60 must be successfully completed at the University of Alberta;
- a minimum of ★30 must be taken while registered in the Faculty of Arts; and
- a minimum of ★6 selected from courses offered by the Faculty of Science or used by the Faculty of Science as Science courses (see §195 for appropriate subjects).
- a minimum of ★15 at the senior level applied to the major and a minimum of ★6 at the senior level applied to the minor must be completed with courses offered by the Faculty of Arts at the University of Alberta (except Science minors, see §43.3(4)).

Course Load Requirements: Students will normally complete ★30 in each Fall/Winter period and complete the program in four academic calendar years.

Program Requirements: The BA degree requires students to successfully complete ★120 including the following:

- Basic Requirements (★36)
- A major subject of concentration and a minor subject of concentration, or two major subjects of concentration. Students who declare a double major are not permitted to declare a minor.

- First Year:** Each year consists of ★30 credited to the program. Within the first ★30, students should complete courses from the basic program requirements. The Faculty recommends that junior (100-) level courses be taken in the first year; and that the English/Writing requirement be completed within the first ★60.

Students should enrol, if possible, in a course in the Major Subject(s) in first year. Students are also encouraged to obtain required prerequisite courses early in the program. Students in the BA degree should seek advice and program approval from the Advisor in the Department of their major concentration or if appropriate, the Interdisciplinary Program advisor.

- Basic Requirements:** (See Arts Chart 1.)

The Basic Requirements (★36) are designed to give the foundation of a liberal Arts education. It is strongly advised that students complete the following requirements in the first two years of their programs.

Note: No one course may meet more than one of the basic requirements. Senior-level courses in the area of major or minor which meet a basic requirement must also be counted toward the major or minor requirements.

Arts Chart 1 Basic Requirements

Note: No one course may meet more than one of the basic requirements listed below

Junior English (ENGL)/Writing Studies (WRS) (★6)

★6 from the following:

100-level ENGL (★3 or ★6)

WRS 101 (★3). Please note that the number of spaces available in WRS 101 in any given year is limited.

Required ENGL are literature based

Students who have been granted advanced placement in English may substitute any ★6 at the 200-level or higher in ENGL for the basic requirement.

One Language Other than English (LOE) (★6)

Junior or Senior level

To develop, or improve a student's facility in a Language Other than English

The core program requirement of a Language other than English consists of ★6 at the 100-level or above in one LOE. Students who decide to take an LOE in which they matriculated must take courses numbered 150 or above as they will not be given credit for courses numbered 100–149 in that language; these are for beginners only.

Language courses which do not offer as their goal the acquisition of a Language other than English, e.g., those dealing with literature in translation, will not fulfill the LOE requirement. Consult §231, Course Listings, for full course descriptions.

Students who have completed their secondary education in a LOE will be permitted to take ★6 option in lieu of the LOE core. Students with prior LOE background who wish further study in that LOE must be placed at the appropriate level or credit will be withheld. Records for these applicants will be reviewed and assessed by the Undergraduate Student Services Office. Students who have facility in a LOE but who cannot provide official transcripts should contact the relevant LOE department for advice about obtaining a waiver for the LOE requirement.

★6 in the Study of Science

The Study of Science requirement will introduce students to scientific study and foster their appreciation of how scientists approach their subjects.

Students must select ★6 from courses offered by the Faculty of Science or recognized by the Faculty of Science as Science courses (see §195)

★18 Breadth and Diversity

To acquaint students with and offer them a basic awareness of the variety of disciplines practised throughout the Faculty of Arts. Students must select ★6 (junior or senior level) from each of the Groups listed below.

4. Economics (ECON)
5. Human Geography Planning (HGP)
6. Interdisciplinary Undergraduate (INT D)

- (3) **Major:** Students must declare either a single or a double major. Students who declare a single major must also complete a minor. Students who declare a double major are not permitted to declare a minor. See §43.1 for a list of subjects which may be declared as majors in the BA.

Each major must include a minimum of ★30 to a maximum of ★48 at the senior level (i.e., additional courses in the major may not be taken as options). At least ★6 must be at the 400-level; some departments may require specific courses and/or more than the specified Faculty minimums. Where a double major is declared, the same Faculty minimums and maximums apply in both majors. See §44 for specific requirements by subject. A minimum of ★15 at the senior level toward the major must be completed with coursework offered by the Faculty of Arts at the University of Alberta.

Senior-level courses in the major subject(s) taken as part of the basic program requirements must also count toward the major(s).

Students must declare their major(s) to the Undergraduate Student Services Office following the accumulation of the 60th unit of course weight of their BA program, though it is to a student's advantage to declare the major(s) as soon as possible.

- (4) **Minor:** Students who have declared a single major must also declare a minor. See §43.1 for a list of subjects which may be declared as minors in the BA.

A minor must include a minimum of ★12 to a maximum of ★42 at the senior level in an approved subject outside the single major. At least ★6 must be at the 300- or 400-level as specified by the department; some departments require specific courses and/or more than the specified Faculty minimums. See §44 for specific requirements by subject. The maximum units of course weight may not be exceeded (i.e., additional courses in the minor may not be taken as options). For Arts minors, a minimum of ★6 at the senior level must be satisfied with coursework offered by the Faculty of Arts at the University of Alberta and for Science minors, a minimum of ★9 at the senior level must be satisfied with course work offered by the Faculty of Science at

the University of Alberta. Senior-level courses in the minor, taken as part of the basic program requirements must also be counted toward the minor.

Students who declare a double major are not permitted to also declare a minor.

In addition to the Arts and Science disciplines noted in §43.1 (including MATH, PSYCO and STAT), students may also select a minor from the Faculty of Science from the list below. Students must meet the minor requirements of the Faculty of Science [see §193.3] as well as those of the Faculty of Arts; therefore, the requirements are a minimum of ★24 to a maximum of ★36 in the minor subject(s), including no more than ★12 at the junior level and at least ★6 at the 300-level or higher. A Science minor consists of Science courses taken from one of the following areas:

- a. Biological Sciences (including BIOCH, BIOL BOT, BIOIN, ENT, GENET IMIN, MA SC, MICRB, NEURO, PALEO, PMCOL, PHYSL and ZOOL)
- b. Chemistry (including CHEM and BIOCH)
- c. Computing Science (CMPUT)
- d. Earth and Atmospheric Sciences (EAS)
- e. Mathematics (MATH)
- f. Physical Sciences (including ASTRO, BIOCH, GEOPH, MA PH and PHYS)
- g. Physics (PHYS)
- h. Statistics (STAT)

Students taking a Science minor are not permitted to complete a minor in the same department as their major.

- (5) **Cross-Listed Courses:** Courses listed in more than one major/minor are known as cross-listed courses.

The use of cross-listed courses is especially common in interdisciplinary programs (East Asian Studies; Film Studies; International Studies; Middle Eastern and African Studies; Native Studies; Science Technology and Society; Women's and Gender Studies), but is becoming increasingly common in other

areas also (e.g. Religious Studies). Unless otherwise notified by the student, the Undergraduate Student Services Office will apply cross-listed courses to the specific subject discipline. For example, a CLASS course cross-listed with Religious Studies will apply to the Classics major or minor unless the student has advised the Undergraduate Student Services Office in writing that it should apply to the Religious Studies portion of his or her program. When students ask that a cross-listed course be applied to their other subject of concentration, that course will then be applied to the minimums and maximums for that other subject.

For further details on cross-listed courses, see the entries for interdisciplinary programs §44.1 to 44.33.

- (6) **Junior Courses:** Maximum of ★48 at the junior level are permitted for credit to the program. Students should complete ★30 at the junior level before registering in senior-level courses.
- (7) **Combined Majors in Languages Other Than English:** Apart from the option to declare a double major and no minor [see §43.3(3)], students may opt instead to select two related languages which can be combined as their major subject; a valid minor subject is still required when this option is selected. The following combined language majors are offered: German and Scandinavian, French and Italian, French and Spanish, Italian and Spanish, Russian and Polish, Russian and Ukrainian, Ukrainian and Polish. The following conditions apply:
- Students selecting a combined language major should take two languages other than English in the first year, deferring any other basic requirement except the Junior ENGL to do so.
 - Students majoring in two languages other than English must take a minimum of ★12 at the senior level in each language and normally must include a minimum of ★3 in each language at the 400-level. In all other respects, the requirements for a major in §43.3(3) apply.
- (8) **Non-Arts or Non-Science Options:** A maximum of ★18 may be taken outside the Faculties of Arts and Science as long as the courses do not duplicate courses already offered by these two Faculties [see §44.16.3]. Courses offered by the Faculty of Native Studies will be counted as Arts courses [see §§43.2(2) and 44.22]. See also §42.3 for a list of courses from the Faculty of Agricultural, Life and Environmental Sciences that are applied as Faculty of Arts courses.
- (9) **Interdisciplinary Programs and Courses:** Many programs housed within Departments in the Faculty of Arts have important interdisciplinary components; some are primarily interdisciplinary in orientation. The Office of Interdisciplinary Studies oversees programs that draw on courses from multiple Departments. These include the Individualized Major and Minor (see §44.16.3), as well as programs in International Studies, Middle Eastern and African Studies, Religious Studies, Science, Technology and Society Studies, and the MA in Humanities Computing that are described elsewhere in this calendar.
- The Office of Interdisciplinary Studies is also responsible for certain interdisciplinary (INT D) courses. Information about these courses and programs is available from the Faculty of Arts Office for Interdisciplinary Studies.
- Unless otherwise indicated in the course description, an INT D course may be applied toward either the major or the minor if it appears under the department's course listings in §231.

- (10) **Community Service-Learning courses:** A number of courses in departments and programs across the Faculty of Arts offer community engagement as an option or requirement. Students in Community Service-Learning (CSL) courses take part in community-based experiences that link to course content.

The CSL program offers its own CSL designated courses (see §231) and a certificate (see §45.1).

For further information see the CSL website www.csl.ualberta.ca

Academic Performance

- (1) **Academic Performance for Graduation:** Students must present credit (with a minimum University of Alberta grade of D or equivalent) in ★120, which satisfy program requirements; present a graduation average of at least 2.0; present an average of at least 2.0 on all courses applied to the major; and present Satisfactory Academic Standing. The graduation average is the quotient of (a) the total number of grade points earned by students in courses credited to the degree, and (b) the total weight of those courses. (Also refer to Academic Standing regulations described in §42.6.) In the case of students who attempted, as part of their program, courses at an institution for which the grades are not precisely equivalent to those of this university, the degree is awarded at the discretion of the Faculty. Courses with final grades less than C- are not transferred from other postsecondary institutions.

Note: Effective 2015-2016, for a BA major in Economics, students must present a graduation average of at least 2.3, and an average of at least 2.3 on all courses applied to the major.

- (2) **Degrees With Distinction:** Degrees With Distinction shall be awarded to students who achieve an average of at least 3.5 or better on the last ★60 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree. If the last ★60 of the program at the University of Alberta do not fall exactly within a given Fall/Winter or Spring/Summer, a weighted average is used. Please contact the Undergraduate Student Services Office for further information (6-5 Humanities, 780-492-4295, e-mail: arts.undergrad@ualberta.ca).

General Information

The Faculty of Agricultural, Life and Environmental Sciences and the Faculty of Arts have worked together to develop this degree which will educate students in the scientific, cultural, economic, moral, political and social dimensions of environmental issues. As the subject matter transcends the boundaries of any single discipline or faculty, this degree is offered through a collaborative program that also draws on the Faculties of Native Studies and Science.

This degree will provide graduates with interdisciplinary expertise to identify, frame, and contribute to the solution of environmental problems. Academic Standing and Graduation

- (1) Refer to Academic Standing regulations described in §42.6 for annual review requirements.
- (2) Academic Performance for Graduation: regulations are the same as for those students registered in the BA program. See §43.3 Academic Performance for Graduation for details.

- (3) Degrees With Distinction regulations governing degrees with distinction are the same as for those students registered in the BA program. See §43.3 Degrees with Distinction for details.

43.6 BA (Honors)

This degree provides specialization in the chosen subject(s), with study in greater depth than is provided in the BA program, and demands a higher standard of performance. Also see §44 for Major and Minor Requirements.

Residence Requirement: The BA Honors degree is a program which normally requires a minimum of ★120 (some departments may require more) of which

- (1) a minimum of ★63 must be in courses offered by the Faculty of Arts;
- (2) a minimum of ★60 must be in courses taken at the University of Alberta;
- (3) a minimum of ★30 must be completed while registered in the honors degree program;
- (4) a minimum of half the courses required in the major discipline, including any honors thesis, paper or project, must be completed with courses offered by the Faculty of Arts at the University of Alberta.

Course Load Requirements: Unless otherwise noted in §§44.1 to 44.33, there is no minimum course load requirement for the BA Honors program each year; however, all degree requirements must be completed within five academic years of admission to and initial registration in the program.

Note: The course load required for major scholarships and awards is generally ★30 (★24 for selected Faculty of Arts awards) in any given Fall/Winter term. Students who complete less than ★30 in any given Fall/Winter term may disqualify themselves from scholarship/award competition.

Program Requirements

The BA Honors degree requires the successful completion of ★120 (or more if specified by the department). In each year, Honors students' programs, and every change of registration, must be approved by the Departmental Advisor signifying the approval of the Department.

- (1) **Basic Requirements common to all Honors Programs:** ★6 Junior English, or ★3 Junior English and ★3 WRS 101; ★6 in one Language other than English; ★6 Study of Science; ★6 chosen from Group 1; ★6 chosen from Group 2; and ★6 chosen from Group 3. See Arts Chart 1 for subjects and courses which meet these requirements. No one course may meet more than one basic requirement; however, courses in the major(s) or voluntary minor that meet basic requirements must also be counted toward the major(s) or minor (if declared).
- (2) **Junior Courses:** No more than ★48 at the junior level are permitted for credit in the program.
- (3) **Non-Arts or Non-Science Courses:** A maximum of ★18 in non-Arts or non-Science courses may be taken outside the Faculties of Arts or Science, as long as the courses do not duplicate courses already offered by these two Faculties.
- (4) **Requirements in the Major Subject:** An Honors program in a single discipline will normally require a minimum of ★48 in the major subject, as defined by the Department. A minimum of ★6 must be at the 400-level; however, some departments may require more. Normally, no more than ★60 may be presented in the major subject unless otherwise specified by the Department. Where a maximum has been specified, it may not be exceeded (i.e., additional courses in the subject of concentration may not be taken as options).
- (5) **Requirements in Combined Honors:** For Combined Honors programs, the minimum number of courses in each subject of concentration will be decided through consultation with the Departments concerned in planning the total program; however, a minimum of ★36 at the junior and senior level in each discipline will be required in all Combined Honors programs. At least ★30 in each discipline must be at the senior level. More than this may be required in some disciplines to meet specific program requirements. For further information on the requirements of a particular program, see the appropriate Department Calendar statement in §44.

Students should be aware that a Combined Honors program may not qualify them for direct admission to a graduate program in one of the disciplines. Further coursework in one of the disciplines may be required for Graduate Studies.

- (6) **Minor Subject:** Most Honors programs do not require a minor subject; however, where a minor or related subjects are required, these will be specified in the individual department requirements in §§44.1 to 44.33. Students in BA Honors programs that do not require a minor may declare

a minor if they wish. Declaration of a minor in these programs is strictly voluntary; however, when a student chooses to declare a minor s/he must meet the requirements for that minor as specified in §§44.1 to 44.33. Students should be aware that it may not be practical to declare a minor in all Honors programs, since completion of a voluntary minor will not replace existing requirements for those programs.

- (7) **Honors Essay:** Some departments require the completion of an Honors Essay in addition to specific course requirements. In the case of Combined Honors programs, students may be required to complete an Honors Essay in one or both disciplines, depending on specific departmental requirements. Where both departments require an Honors Essay, students will complete one for each department or may, on special request, be permitted to write a Combined Essay INT D 520 (★6) which will meet the requirements of both departments. Students should refer to the specific department entries in §44 to determine which departments offer combined honors programs and require an Honors Essay. Where a Combined Essay is permitted, this will be noted in the Department Calendar entry, and in such cases the following conditions will apply:
 - a. A combined essay is applicable only to students in combined honors programs.
 - b. It is applicable only when both departments require an essay and only when both departments agree to a combined essay.
 - c. The combined essay INT D 520 (★6) will meet the essay requirements of both departments.
 - d. The combined essay will be supervised by, and graded jointly by, the cooperating departments; a single final grade will be submitted.
 - e. The essay will address the subject matter in both departments equally and in a way that emphasizes the interaction between the two disciplines.
- (8) **Cooperative Work Option Within Honors Programs:** Cooperative education is based on the principle that, for some students, periods of appropriate employment outside the University, when integrated with their academic studies, enhance the benefits students obtain from their academic programs. The work should be of a type that students can reasonably hope to obtain after they graduate, or be suitably related to the content of their academic programs. Cooperative work experience will be wholly additional to and not a substitute for academic courses; it is a valuable enrichment for some students but is not an alternative to normal course work. Accordingly, the existing requirement for ★120 will be maintained, with a no-credit course number for the evaluation of a report or project resulting from the work experience. Students should be aware that under the *Protection for Persons in Care Act*, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.
 - a. **Admission Requirements:** See §15.2.
 - b. **Program Selection:** Two forms of cooperative work are available:
 - 1) Full-time employment for not less than three months and not more than one year. Such periods, integrated into the normal academic program, are "work terms."
 - 2) Part-time employment equivalent in working hours to no less than ★3; such employment is a "work assignment."
 - c. **Registration:** Work terms and work assignments must be approved in advance by the Department concerned and the Undergraduate Student Services office. Retroactive approval will not be granted.
 - d. **Withdrawal:** Students may withdraw from a cooperative program on completion of a work term or work assignment, or at any time during a normal academic term, and may continue in the academic Honors program of their department without penalty if the requirements of these programs have been met. Further information may be obtained from departments offering such programs.

Promotion and Graduation

- (1) **Promotion Requirements:** Promotion from year to year requires a minimum grade point average of 3.0 on all courses taken during the Fall/Winter or Spring/Summer and the recommendation of the department concerned whose required grade point average for promotion may exceed the Faculty minimum. Where an individual department's requirements vary from the Faculty minimum, this will be specified in each individual department entry in §44. Students must also meet promotion requirements as outlined in individual department entries during their final year.
- (2) **Graduation Requirements:** In most departments, graduation with Honors requires a graduation average of at least 3.0 with an average of at least 3.3 in all courses in the major subject; however, individual Department recommendations for graduation with Honors may exceed these minimum

Faculty requirements. Where an individual department's requirements vary from the Faculty minimum, this will be specified in each individual department entry in §44. To be eligible to graduate, students must also meet promotion requirements as specified in point (1) above. The graduation average is the quotient of a) the total number of grade points earned by students in courses credited to the degree, and b) the total weight of those courses.

(3) **Graduation with First-Class Honors:** Departments shall choose one of the following options as their policy for determining First-Class Honors. (Refer to Departmental entries §§44.1 to 44.33.)

- A minimum average of 3.7 on all senior-level courses in the major, and an average of at least 3.5 on all courses in the final year. The final year shall be defined as the last ★30.
- A minimum average of 3.7 on all courses in the two final years in the major and an average of at least 3.5 in all courses in the two final years. The two final years shall be defined as the last ★60.

If the last ★30 or ★60 (whichever is applicable) does not fall exactly within a given Fall/Winter or Spring/Summer, a weighted average is used. Please contact the Undergraduate Student Services Office for further information (6-5 Humanities, (780) 492-4295, e-mail: arts.undergrad@ualberta.ca).

(4) Students who fail to attain the standard necessary to continue in Honors will be required to withdraw from Honors but may transfer to another program in the Faculty if they meet the requirements for that program. After such transfer, they must complete all requirements.

(5) Students who are not recommended for graduation with Honors at the end of their fourth year (i.e., after successfully completing ★120) may be granted the BA degree if they have successfully completed ★120 including the basic requirements and the required minor subject for the BA (see §43.3). In no case shall more than ★60 in the major subject be counted as part of the required ★120. Students deficient in any respect may be required to take one or more courses.

General Information

The Department of Music offers various programs leading to the degree of Bachelor of Music. Six routes are available: General, Performance, Music History, Composition and Theory, School Music and World Music. The General Route allows students to take various options while the School Music Route prepares students for further training in music education and, in particular, for admission to the BEd After Degree program in Music Education. The Performance Route allows students to specialize in performance.

The World Music Route requires ★123 to complete the program; and all other routes require ★126.

Program Requirements

The required courses, recommended sequencing, and other conditions regarding the BMus program are noted in Arts Chart 2. (**Note:** The following

courses have been approved as specified non-arts options: DAC 160, 165; PAC 355; DANCE 340, 345, 350, 446. All options require Departmental approval.)

Promotion: All Routes

- (1) To be eligible to continue, students will normally need a minimum GPA of 2.3 each Fall/Winter.
- (2) Successful completion of the program requirements includes a cumulative grade point average of 2.3 on all courses completed in the program.
- (3) Students in all routes except World Music are normally required to complete ★33 during Fall/Winter of the first and second years, and ★30 during the third and fourth years. Students in the World Music route are normally required to take ★33 during Fall/Winter of the first year and ★30 during the second, third, and fourth years. A reduced course load to ★24 does not require departmental approval beyond the normal means of signing a withdrawal form, but a course load of less than ★24 requires Faculty approval based on departmental recommendation.
- (4) Students who fail to meet the requirements for promotion as outlined in (1) above will be required to withdraw from the BMus program. Such students may transfer to another program in the Faculty of Arts or in another Faculty if the entrance and promotion requirements for such a program are met. After transfer, all requirements for the new program must be met.
- (5) Students who fail to meet the fourth-year requirements in the program will be permitted to fulfil those requirements only with the approval of the Dean of Arts on Departmental recommendation. Otherwise, students must

withdraw from the program and, if so desired, transfer to another program in the Faculty of Arts for which they are able to meet entrance and promotion requirements.

- (6) A BMus program may be interrupted only with Departmental consent, and continuation will be subject to any conditions, including reauditioning and new program requirements, that may be specified by the Department.

Residence Requirement

- (1) Students proceeding toward the BMus degree (General, Music History, Composition and Theory, Performance, World Music, or School Music) must normally have credit in at least ★63 offered by the University of Alberta.
- (2) The final year of the program will normally be taken in one regular academic year at the University of Alberta. The Department may recommend to the Associate Dean (Student Programs) exemption from this regulation.

Graduation Requirements: All Routes

- (1) To qualify for the Bachelor of Music degree, students must successfully complete relevant curriculum requirements; meet the promotion, final year and residence requirements; and receive Departmental recommendation.
- (2) Degrees With Distinction shall be awarded to students who achieve a grade point average of 3.5 or more on all the units of course weight credited to the program and on all the units of course weight in Music. Students who have taken part of their program at another university may be granted a degree "With Distinction" at the discretion of the Faculty.

43.13 After Degree Programs

43.13.1 BA After Another Undergraduate Degree (other than Bachelor of Arts)

Applicants having a first undergraduate degree other than a Bachelor of Arts may be admitted to the BA After Degree programs. All requirements for the degree must be met (see §43.3). The total number of required units of course weight in the After Degree program will vary depending on the degree held and the BA program sought; however, a minimum of ★60 will always be required. In some cases, more than ★60 may be required depending on the number and applicability of Arts and Science courses completed as part of the first degree.

Notes

- (1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the degree program.
- (2) Courses in other Faculties (non-Arts or non-Science options) open to students in the BA program (§§43.2(2)b. and 43.3(8)) are not permitted for credit in a BA after a previous degree.
- (3) The major and minor or double major selected for the After Degree program may be in disciplines already included in the first degree if they are approved major or minor subjects [see §§43.1 or 43.3(4)] and if no more than ★30 at the senior level have already been completed in the discipline(s) in question. Where ★30 or less in the discipline have been completed, those disciplines may be designated as a major, minor, or double major, and it is expected that additional courses will be taken in those subjects to the maximum allowed as part of the After Degree program. Where more than ★30 have already been completed in a discipline, that subject may not be selected as a major, minor or part of a double major for the BA after a previous degree [see point (4) below].
- (4) A minor from a previous degree may be declared as a major in a BA After Degree program if it is an approved discipline and fewer than ★30 have been

completed; however, the major(s) declared must be different than the major(s) completed in the previous degree.

- (5) Students who wish to pursue additional studies in a discipline which cannot be selected as a major or minor may apply for admission as a Special Student (see §15.2.17) or to a BA Honors After Degree Program (see §43.13.3) if the academic admission requirements for those programs are met. Alternatively, these areas may be pursued as options in a BA After Degree program to the extent possible within the requirements of the program.

Residence Requirements

- (1) A minimum of ★63 must be in courses offered by the Faculty of Arts, including courses in Arts disciplines taken as part of the first degree, as well as those completed as part of the After Degree program.

- (3) At least ★30 credited to the After Degree program must be completed while registered as a student in the Faculty of Arts.

Academic Performance for Graduation

Students must achieve a minimum University of Alberta grade of D (or equivalent) in all courses credited to the After Degree program; present a graduation average of at least 2.0; present an average of at least 2.0 on all courses applied to the major; and present “Satisfactory” academic standing. The graduation average is the quotient of (a) the total number of grade points earned in courses credited to the After Degree program and (b) the total weight of those courses. Academic Standing regulations are described in §42.6. In the case of students who attempted, as part of the program, courses at an institution for which the grades are not precisely the equivalent to those of the University of Alberta, the degree will be awarded at the discretion of the Faculty. Courses with final grades less than C- are not transferred from other postsecondary institutions.

Note: Effective 2015-2016 for a BA major in Economics students must present a graduation average of at least 2.3 and an average of at least 2.3 on all courses applied to the major.

Graduation “With Distinction”: Degrees With Distinction are awarded in an After Degree program to students who achieve a grade point average of 3.5 or better on the last ★60 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree.

Applicants having a first Bachelor of Arts (from this or any other University) may be admitted to a BA After Degree program. All requirements for the BA degree must be met (see §43.3). The total number of required units of course weight in the After Degree program will vary depending on the BA held and the BA program sought; however, a minimum of ★60 will always be required. More than ★60 may be required depending on the number and applicability of courses completed as part of the first degree. In some cases, more than ★60 may be required depending on the number and applicability of Arts and Science courses completed as part of the first degree.

No more than ★48 at the junior level may be recognized and/or credited toward the requirements of the Honors After Degree program. In all cases, minimum admission and promotion requirements must be met (see §§15.2 and 43.6) and departmental recommendation and Faculty approval for admission must be secured. All common program requirements and all specified departmental requirements must be fulfilled, either through courses recognized from the first degree, or through courses taken as part of the After Degree program. For detailed information, applicants should contact the Departmental Honors Advisor concerned and the Faculty of Arts Undergraduate Student Services Office.

Graduation

To qualify for a BA (Honors) After Degree, students must meet the promotion and graduation requirements specified for each Department (§§44.1 to 44.33). The graduation average will be calculated on all courses credited to the After Degree program, as well as those courses recognized from the first degree which fulfill program requirements. An Honors After Degree may be awarded with “First-Class Honors” if an average of at least 3.7 is achieved on all courses beyond the junior level in the subject of concentration (including those completed as part of the first degree as well as those credited to the After Degree program), and if

Applicants having a first undergraduate degree may be admitted to the BFA, BDesign, or BMus After Degree programs. All requirements for the degree, as detailed in §§43.7, 43.8, 43.9 or 43.10, must be met. The total number of units of course weight in the After Degree program will vary depending on the previous degree held and the After Degree sought. 43.14 Cooperative Education (Work Experience) Program

Students should contact the Faculty of Arts Career Development Officer (CDO) for detailed information and complete program requirements. Specific questions related to a student's Academic GPA program will be referred to an Academic Advisor in the Faculty of Arts Undergraduate Student Services Office.

The Work Experience Program in the Faculty of Arts provides students an opportunity to apply for an extended, generally paid work experience (unpaid appointments may be considered and approved by the CDO on an individual basis).

To be eligible to register in this program a student must

- (1) be registered in the Faculty of Arts
- (2) have successfully completed a minimum of ★75 (with at least ★30 earned at the University of Alberta) toward the Arts program
- (3) have a minimum Grade Point Average (GPA) of 2.3 on all courses completed. Possession of the minimum GPA requirement may not be sufficient to qualify for participation and individual programs, or departments may require a higher GPA

Students should be aware that under the Protection of Persons in Care Act, students can be required to satisfy a criminal records check before being allowed to serve a period of work experience. Refer to §23.8.3. As well, additional nonacademic requirements, such as participation in pre- and post-employment workshops, may be required. Typical work terms are 12 months in duration. Work terms must be a minimum of four months to constitute a single WKEXP course. Successful completion of the following are required for students to graduate with the Work Experience Program designation on their parchments:

- (1) WKEXP 801, 802, 803 (with a minimum one work term during the academic year),
- (2) required pre- and post-employment workshops, and
- (3) remaining academic program requirements.

Students wishing to register in a single WKEXP course should consult the Career Development Officer for more information.

Students are advised not to register in academic credit courses during the period of work experience, but are considered to be full-time students at the University of Alberta for the period in which they are enrolled in WKEXP courses.

Student participation in the program is voluntary and it is not possible to guarantee that all students wishing to participate will be able to do so. Students may not find a suitable job opportunity, or might not be successful in the interview. An interview with the participating employer is mandatory.

Every effort will be made to assist in finding suitable employment for those students wishing to take part in the program, but ultimately the responsibility for obtaining suitable employment rests with the students who wish to participate. Available positions will be posted on the CAPS job board.

Students choosing to participate should also be aware that participation in the program may result in challenges when selecting courses for their program, as Departments may not have the flexibility to offer required courses in terms desirable to all students. If particular courses are required or strongly desired, students are encouraged to plan work terms around the availability of such courses.

Following is the normal sequence of required courses in the Cooperative Education Program:

Year	Term	Course	Weight	Grade
Year 4	One	WKEXP 801	0	CR/NC
Year 4	Two	WKEXP 802	0	CR/NC
Year 4	Three	WKEXP 803	0	CR/NC

Graduation with First Class Honors requires an average of at least 3.7 on all senior level Economics courses and a GPA of 3.5 or better on all courses in the final year (last ★30).

44.10.2 Combined Honors in Economics

Students may also pursue a combined program in Economics and another discipline. The common requirements in a Combined Honors program are the same as for other Honors programs (see §43.6).

A Combined Honors program in Economics and another discipline requires a minimum of ★36 (at the junior and senior levels) in Economics and a minimum of ★36 in the other discipline. Requirements in Economics for all Combined Honors programs in Economics except Economics and Mathematics are the same as listed in §44.10.1.

Required courses in a Combined Honors program in Economics and Mathematics are ECON 101 and 102 (or 204); ECON 281, 282, 384, 385, 399, 481, 482, 497; MATH 117, 118, 127, 217, 227, 317; STAT 265 and 266. Students in the Combined Honors program in Economics and Mathematics may not receive credit for either ECON 386 or 387, and should select further mathematics courses from MATH 334, 372, 373, 381, 417, 418, 421, and 472.

Each Combined Honors program must have the approval of the Department of Economics and the other discipline. Only students enrolled in the Honors Essay route complete an Honors Essay. With the permission of the Honors Advisor, students pursuing Combined Honors in Economics (Honors Essay Route) and another discipline may write a combined honors essay (INT D 520) that is supervised jointly by faculty from both programs and the subject of which integrates both disciplines. In these circumstances, students will complete INT D 520 in place of ECON 400.

Note: 400-level AREC courses approved as Arts options will be applied as senior level ECON, but will not fulfill 400-level ECON requirements.

Promotion and Graduation Requirements

In a Combined Honors program, students must meet the promotion and graduation standards of each department. Requirements in Economics are outlined in §44.10.1.

44.10.3 Major and Minor in Economics

Degree of BA

See §43.3.

For students majoring in Economics, the following courses are required: ECON 101 and 102 (or 204), 281, 282, 299 (or STAT 265 and 266), 384, 385, 399, and ★6 at the 400-level; MATH 113 or equivalent; STAT 141 or 151.

Notes

- (1) To have the greatest possible flexibility in their choice of the 300- and 400-level courses required to complete a concentration in Economics, students should complete all the departmental requirements earlier rather than later in their programs. In particular, students should complete the ECON 101 and 102 (or 204); MATH 113; STAT 141 or 151; ECON 299, 281 and 282 requirements as part of their first ★60. Students are urged to take MATH 113 as soon as possible, preferably in their first year.
- (2) MATH 113 and STAT 141 or 151, meet the requirements for ★6 from the Faculty of Science.
- (3) 400-level AREC courses approved as Arts options will be applied as senior level ECON in the major or minor, but will not fulfill 400-level ECON requirements.

For students taking Economics as a minor, the following courses are required: ECON 101, 102, 281 and ★9 at the 200-level or above, of which at least ★6 must be at the 300-level or above. Also see §43.4(4)

Economics majors may choose Mathematics or Statistics as their minor subject rather than a discipline offered by another program in the Faculty of Arts.

Effective 2015-2016 Promotion and Graduation Requirements

Promotion from year to year requires a GPA of at least 2.3. Students who wish to return to the Economics Major must present a GPA of 2.3 on a minimum of ★9 in a subsequent Fall/Winter.

Graduation with Majors in Economics requires a graduation average of at least 2.3 with an average of at least 2.3 in all Economics courses.

At the same time, the links between resource and energy questions and environmental issues are examined.

This certificate is offered in collaboration with the Faculty of Business.

Admission to the Certificate is by application to the Department of Economics only. There are a limited number of spaces available. Normally a student must have completed ★60 prior to admission which must include ECON 281, 282 and 299, and have a minimum cumulative GPA of 3.0. This Certificate will be awarded only at the same time as a student receives a BA with a major or honors in Economics.

Students may pursue this Certificate in the Economics and Management of Natural Resources, Energy and the Environment by fulfilling existing requirements for major or honors in Economics and by completing at least one of ECON 365, 366, 269 (or 369); and 467; and a minimum of an additional ★15 from the following designated courses: ECON 269 (or 369); 353 (or 453), 355, 365, 366; B LAW 301, 428; BUEC 463, 464; OM 352. Students may receive credit for both ECON 353 and 453, but only one of these courses will apply to the requirements of the Certificate. Students admitted to this Certificate program will not be granted credit for both ECON 269 (or 369) and BUEC 464.

44.10.5 Certificate in Finance

The Certificate in Finance is valuable for students interested in opportunities in finance, controllership, investment analysis in corporations and government enterprises, banks, insurance companies, government financial regulatory agencies, and other organizations specializing in financial affairs. The Certificate in Finance includes study of investors' choices among financial investments (securities), business asset management, choices among methods of financing assets, and risk management.

This certificate is offered in collaboration with the Faculty of Business.

Admission to the Certificate is by application to the Department of Economics only. There are a limited number of spaces available. Normally a student must have completed ★60 prior to admission which must include ECON 281, 282 and 299, and have a minimum cumulative GPA of 3.0. This Certificate will be awarded only at the same time as a student receives a BA with a major or honors in Economics.

Students may pursue this Certificate in Finance by fulfilling existing requirements for majors or honors in Economics and by completing the following designated courses: ACCTG 311, ECON 442 (or FIN 412), FIN 301, OM 352 and ★9 in Finance electives, which include ACCTG 412 and 432, and all 400-level FIN (except FIN 412).

These are non-graded, non-credit courses that require no class attendance and will appear on the transcript along with the name of the employer.

Following the work term, students returning to school in the fifth year of the program are required to register in a ★3 seminar course and complete an applied research project related to their employment. Students who successfully complete the program requirements will graduate with the Cooperative Education (Work Experience) Program designation on their transcripts and the degree of BA Cooperative English.

Those interested should consult the Department Coop Liaison Officer, or for more information, consult §§43.14 (BA Majors) and 43.6 (Honors English) of the University Calendar.

44.24 Planning

The Planning program educates students in the scientific, aesthetic, and orderly disposition of land, resources, facilities and services with a view to securing the physical, economic and social efficiency, health and well-being of communities. Planners work for all levels of government and in professional planning consultancies.

The Department of Earth and Atmospheric Sciences (Faculty of Science) offers a BA major in Planning and a BSc Specialization in Planning. Students interested in focusing on natural science elements of planning, including environmental management and the use of geographic information sciences, should consider the BSc Program (see Science Chart 5) and those interested in the aesthetic, economic, and social issues of planning should consider the BA program.

44.24.2 Cooperative Education (Work Experience) Route

The Cooperative Education (Work Experience) Route gives students who have completed their third year of study in the BA Planning Major, including successful completion of HGP 310 and 315 (or equivalent), and who present a Faculty Grade Point Average of at least 2.3, an opportunity for extended, paid work experience. The placement lasts for eight or 12 months, and, after completing the reporting requirements, a student can receive university credit for the experience. The Work Experience designation will appear on the degree parchments of students who have successfully completed the placement. During the placement, students are considered full-time students of the University. Work experience courses have no

weight and are graded credit/no credit, and recorded on the student's transcript. The Work Experience Program Advisor maintains contact at approximately three-month intervals with the student and the person designated by the employer to be responsible for the student's progress. This arrangement ensures satisfaction on all sides. If the review shows the situation is not satisfactory, the placement may be terminated and the student would then return to classes at the next available opportunity. The graduation requirement for the Work Experience program designation includes successful completion of a least WKEXP 801 and 802 plus HGP 401. HGP 401 must be taken in the term immediately following completion of the WKEXP period. If required by the employer, the student's written report and oral presentation in HGP 401 may be classified confidential. The employer also assesses the student's performance during the placement. Based on the student's written report and oral presentation, and the report from the employer, students are awarded a grade in HGP 401. Interested students should see the HGP Work Experience Advisor in the Department of Earth and Atmospheric Sciences for more information.

44.25 Political Science

44.25.1 Honors in Political Science

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements.

See §43.6 for Faculty regulations concerning the Honors program.

Honors in Political Science requires a minimum of ★54 to a maximum of ★60 in Political Science (including junior courses). With the prior approval of the Department Advisor, ★6 in an "associated discipline" may be presented in lieu of ★6 in Political Science; in such cases, a minimum of ★48 in Political Science will then be required.

Required Courses

- (1) POL S 210 and 220;
- (2) ★6 from POL S 230, 240, and 260;
- (3) POL S 399 (Honors Research Seminar);
- (4) POL S 499 (Honors Essay), required in the fourth year;
- (5) ★6 at the 400-level (in addition to POL S 499).

Note: Students should consult the Honors Advisor in choosing their courses. POL S 101 is the prerequisite for most 200-level POL S courses

Promotion Requirements

Promotion from year to year requires a GPA of at least 3.0 with an average of at least 3.3 in all Political Science courses in the Fall/Winter.

Graduation Requirements

Graduation with Honors in Political Science requires an average of at least 3.3 in all Political Science courses taken in the last two years and an average of at least 3.0 or better on all courses in the two final years (last ★60). Graduation with First Class Honors requires an average of at least 3.7 on all Political Science courses taken in the last two years and an average of at least 3.5 or better on all courses in the two final years (last ★60).

44.25.2 Combined Honors in Political Science

Students may pursue a Combined Honors program in Political Science and another discipline.

The common requirements in a Combined Honors program are the same as for other Honors programs (refer to §43.6).

A Combined Honors degree in Political Science and another discipline requires a minimum of ★36 in the other discipline and at least ★42 in Political Science.

Required Courses

- (1) POL S 210 and 220;
- (2) ★6 from POL S 230, 240, and 260;
- (3) ★3 from POL S 399 (Honors Research Seminar);
- (4) POL S 499 (Honors Essay), required in the fourth year;
- (5) ★6 at the 400-level (in addition to POL S 499).

With the permission of the Honors Advisor, students pursuing Combined Honors in Political Science may write an honors essay that is supervised jointly by both departments and whose subject integrates both disciplines. Attendance and participation in POL S 499 will be required. In circumstances where the other Department requires INT D 520 in lieu of its own honors essay, students will register in INT D 520 (★6) instead of POLS 499. Credit in INT D 520 will require

attendance and participation in POLS 499.

Note: POL S 101 is the prerequisite for most 200-level POL S courses

Promotion and Graduation Requirements

In a Combined Honors program, students are required to meet the promotion and graduation standards of each discipline. The requirements in Political Science are outlined in §44.25.1.

44.25.3 Major and Minor in Political Science

Degree of BA

See §43.3.

A major in Political Science requires a minimum of ★30 and a maximum of ★48 in Political Science at the senior level. Normally, these courses must include:

- (2) ★6 from POL S 230, 240, and 260;
- (3) ★12 at the 300- and 400-level (of which ★6 must be at the 400-level).

Note: The requirements described as "normal" may be varied only in special circumstances and only with departmental approval. POL S 101 is the prerequisite for most 200-level POL S courses, and 300- and 400-level courses presuppose specific 200-level prerequisites. Students proposing to concentrate in Political Science should take POL S 101 in the first year and, in the second year, ★12 from POL S 210, 220, 230, 240, and 260.

For a minor in Political Science, students must have at least ★15 at the senior level, including the following:

- (2) a minimum of ★6 at the 300- or 400-level.

Note: POL S 101 is the prerequisite for most 200-level POL S courses, and 300- and 400-level courses presuppose specific 200-level prerequisites.

44.25.4 Certificate in Globalization and Governance

Globalization has brought fundamental changes to the conduct and study of local, national, international and transnational politics. This Certificate in Globalization and Governance includes undergraduate POL S lecture and seminar courses that focus on the dynamics of globalization and the challenges it presents to politics, governance and public policy throughout the North and South.

This Certificate will be awarded only at the same time as a student receives a BA with a major, Honors, or minor in POL S (or a BSc with a POL S minor).

(No more than ★6 from POL S 230, 240, and 260 may be counted towards the Certificate.)

44.26 Psychology

44.26.1 Honors in Psychology

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements. Admission into the Honors program is permitted only at the end of the second year (after completion of a minimum of ★48). Final acceptance into the Honors program is dependent upon obtaining written approval from a potential research supervisor prior to August 7.

See §43.6 for Faculty regulations concerning the Honors program.

The Department offers courses leading to the degrees of BA and BSc with Honors in Psychology. Departmental requirements for the two degrees are identical. However, students wishing to emphasize the humanities and social sciences should enrol in the BA program; those wishing to emphasize the physical, biological, and mathematical sciences should enrol in the BSc program. Either program is appropriate for students considering postgraduate training in psychology or in other fields that require these research skills.

Although admission into the Honors Psychology program is normally in the third year, students are expected to take a minimum of ★24 during the Fall/Winter of each year of study, including the first and second years. Once admitted to the Honors program, exceptions to this requirement must have the prior written approval of the Department and the Faculty. The student's program of courses must be approved in advance each year by the Honors Psychology Advisor.

A minimum of ★48 (but no more than ★60) must be taken in Psychology, including the following:

- (3) ★6 from BIOL, CHEM, PHYS
- (4) ★6 from ANTHR, ECON, LING, POL S, and/or SOC

A minimum of an additional ★12 must be taken in one or more disciplines relevant to Psychology, e.g., ANTHR, BIOL, CHEM, CMPUT, ECON, GENET, LING, MATH, NEURO, PHIL, PHYS, PHYSL, PMCOL, POL S, SOC, STAT, ZOOL. These courses may not overlap those used to fulfil the Department's Computing/Mathematics/Statistics, Natural Science, and Social Science requirements listed above.

Under the supervision of a faculty member in the Department, students undertake a year-long research apprenticeship (PSYCO 399) during the third year, and conduct research and write an empirical thesis (PSYCO 490) during the fourth year. Third-year students present their thesis research proposals, and fourth-year students present the results of their thesis research, at the annual Honors Psychology Conference in April.

Promotion Requirements

Promotion from year to year requires a GPA of at least 3.3 with an average of at least 3.3 in all Psychology courses in the Fall/Winter.

Graduation Requirements

Graduation with Honors in Psychology requires a graduation average of at least 3.3 with an average of at least 3.3 in all Psychology courses. Graduation with First-Class Honors requires an average of at least 3.7 in all Psychology courses taken in the last two years (last ★60) and an average of at least 3.5 in all courses taken in the last two years (last ★60).

44.26.2 Combined Honors in Psychology

Students may pursue a Combined Honors program in Psychology and in another discipline. The common requirements in a Combined Honors program are the same as for other Honors programs (see §43.6).

The requirements in Psychology are the same as described above in §44.26.1, including the specified courses from other departments. Careful planning is required, and consulting the Honors Advisors in both departments is mandatory. The third-year research apprenticeship (PSYCO 399) is also required; however, with special permission, a Combined Honors Essay (INT D 520) may be substituted for the Honors Thesis (PSYCO 490). See §43.6(7) for further information.

Promotion and Graduation Requirements

In a Combined Honors program, students must meet the promotion and graduation standards of each Department. The requirements in Psychology are outlined in §44.26.1.

44.26.3 Major and Minor in Psychology

Degree of BA

See §43.3.

The Department of Psychology offers courses leading to BA and BSc degrees. Students who want to emphasize the humanities and social sciences in their programs should register for the BA and follow one of the sequences suggested in the Faculty of Arts section. Students wishing to emphasize the biological sciences should register for the BSc. However, to ensure a well-rounded background in

psychological inquiry, students in the BA program must take Psychology courses from both the Faculties of Arts and Science.

Students selecting Psychology as a major are required to take the following:

- (1) PSYCO 104 and 105
- (2) STAT 141 or 151
- (3) ★6 from PSYCO 223, 239, 241
- (4) ★6 from PSYCO 258, 275, 282
- (5) ★3 from CMPUT, MATH or STAT (not including STAT 141 or 151)
- (6) ★6 at the 300- or 400-level must be from the PSYCO courses offered by Arts
- (7) ★6 at the 300- or 400-level must be from the PSYCO courses offered by Science
- (8) At least ★6 must be at the 400-level

Students selecting Psychology as a minor are required to take the following:

- (1) PSYCO 104 and 105
- (2) STAT 141 or 151
- (3) ★3 from PSYCO 223, 239, 241
- (4) ★3 from PSYCO 258, 275, 282
- (5) ★3 of 300- or 400-level PSYCO courses offered by Arts
- (6) ★3 of 300- or 400-level PSYCO courses offered by Science

Note: Because STAT 141 or 151 is a prerequisite or corequisite for several senior courses, it should be taken in Year 1 or 2.

44.26.4 Cooperative Education (Work Experience) Route

The Cooperative Education (Work Experience) Route is offered to students in the BA Honors Psychology program or the BA program with a major in Psychology. Students who present a Faculty Grade Point Average of at least 2.3 are eligible for the program, an opportunity for extended, paid work experience. The paid work experience is normally undertaken after completion of a minimum of ★75, and not more than ★105. Students who are approved to enter this stream and find an internship placement are registered for a continuous sequence of Arts Psychology Work Experience courses (WKEXP 961, 962, 963) starting in May or September.

During the program, students are considered full-time students of the University. Work experience courses have no weight and are graded credit/no credit, and recorded on the student's transcript; students are not permitted to register in any academic courses during the Work Experience Program. The Work Experience Program Advisor maintains contact with the student and the person designated by the employer to be responsible for the student's progress. This arrangement ensures satisfaction on all sides. If the placement is not satisfactory for either party, the internship may be terminated and the student would then return to classes at the next available opportunity. The graduation requirement for the Work Experience program designation includes successful completion of WKEXP 961, 962 and 963 (12 to 16 continuous mounts) plus PSYCO 411. PSYCO 411 must be taken in the first term immediately following completion of the WKEXP period. The employer also assesses the student's performance during the work term.

Students should be aware that under the *Alberta Protection for Persons in Care Act*, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

Interested students should see the Work Experience Advisor in the Department of Psychology for more information.
