Undergraduate Application Deadlines for Admission and Readmission

12 Undergraduate Application Procedures

12.1 Enquiries from New Students

Enquiries from prospective undergraduate students should be addressed to the Registrar's Office. The Student Access Centre in the Office of the Registrar acts as an advisory office for all categories of new students, other than those eligible for direct admission into the Faculty of Graduate Studies and Research. The Student Access Centre is located on the main floor of the Administration Building. Telephone enquiries may be directed to (403) 492-3113.

12.2 Definitions

The following definitions pertain to the information contained in the subsequent chart.

- (1) **Academic Year:** The University's academic year is divided into two sessions: Intersession (May to mid-August); and Winter Session (September to April). The Winter Session is further divided into two terms (September to December and January to April).
- (2) **High School Student:** A student whose most recent education has been taken in a high school and who has also never attended a postsecondary institution.
- (3) **External Transfer Student:** A student who is transferring from another postsecondary institution and who has not previously attended the University of Alberta.
- (4) **Internal Transfer Student:** A student who wishes to transfer from one program to another program within the same faculty or to another faculty.
- (5) **Previous Student:** A student who has been required to withdraw and is now reapplying to the same program, or a student who is reapplying after a voluntary absence of 12 consecutive months or more to the same program in which he or she was most recently enrolled (note that if another institution has been attended in the interim, then the student would be classified as an External Transfer Student).
- (6) **Open Studies Students:** A student who is registered in selected credit courses, but who is not committed or admitted to a degree or diploma program. Deadlines for Open Studies students can be found at the end of the following Admission and Readmission Deadlines Chart.
- (7) **Special Student:** A student who has been permitted to register in one or more courses which are not being taken for credit toward a degree or diploma at this or another institution. To be considered for admission as a Special Student, applicants must normally have received a university degree from an accredited postsecondary institution, must present a competitive admission grade point average, and meet English Language proficiency requirements as specified in §13.3. Special Students must apply for admission to the faculty in which they plan to take the majority of their courses. Since the University is a limited enrolment institution, priority in admission is given to applicants to degree programs.
- (8) **Visiting Students:** Bona fide students of other universities or colleges who have been permitted to take one or more courses for transfer of credit to their own institutions which have agreed in advance to such an arrangement.
- (9) **Admission and Readmission Documents:** All students must submit two complete and official transcripts of work they have completed at institutions other than the University of Alberta before a final decision is made on admissibility. These documents must be submitted as soon as

possible after the results of their most recent examinations are available. **Note:** A student will not be considered if any document or required item is received after the stated deadline.

- (10) **Other Requirements:** The other requirements column listed in the following chart refers to all students, whether applying for admission or readmission, unless otherwise stated.
- (11) **Deadline:** If the published deadline falls on a weekend or statutory holiday, that item will be accepted by the Office of the Registrar if it is received or postmarked by the end of the next full working day.

12.3 Application Procedures

- (1) There are **separate application forms** for admission and readmission. Please ensure you have obtained the correct one. An application will be returned if it is received after the stated deadline.
- (2) A **nonrefundable application fee** is charged for **each** admission or readmission form submitted. Any form will be returned if it is submitted without the fee.
- (3) Students intending to enter a program as a **nonmatriculated applicant** must apply by the deadlines published for high school students. Please refer to §14.3 as well as to the appropriate Faculty section in §15 for admission information.
- (4) An admission or readmission decision to any program is valid only for the session or term for which it is approved and will **not** be carried over to a future date if a student chooses not to attend. Another form and application fee will be required.
- (5) Students who wish **only to audit courses** may register according to the dates specified in the Academic Schedule, (§11). Such students must report to the Office of the Registrar to obtain an Auditor Only registration form.
Refer also to §21.1.3 of this Calendar for additional information regarding auditing students.

12.4 Application for Admission

- (1) Admission application forms are submitted by students who have **never attended** the University of Alberta, although they may have previously applied. Admission deadlines for these students are listed by Faculty and program in the Admission and Readmission Deadlines Chart which follows.
- (2) There are two categories of applicants for admission:
 - High School Students
 - External Transfer Students
- (3) **Open Studies and Auditor-Only Students:** A student who has attended only as an Open Studies/Unclassified student or as an Auditor-Only student, and who now wishes to transfer to a degree program or to attend as a Special or Visiting student, must also complete an application for admission form. The student is regarded as an internal transfer student for deadline purposes.

12.5 Application for Readmission

- (1) Readmission application forms are submitted by current or former University of Alberta students, except as noted above for Open Studies/ Unclassified students or Auditor-Only students. Readmission deadlines for these students are listed by Faculty and program in the Admission and Readmission Deadlines Chart which follows.
- (2) There are two categories of applicants for readmission:
 - Internal Transfer Students
 - Previous Students
