

1. Mandate and Role of Council

The University of Alberta is governed bicamerally by the Board of Governors and General Faculties Council (GFC); they share and balance power within the University and are called upon to provide both oversight and strategic vision. The proper functioning of the Board and GFC are essential to the university's institutional autonomy and the processes of collegial academic governance.

GFC is the University's senior academic governing body defined in the *Post-Secondary Learning Act (PSLA)* and is responsible for the **academic affairs** of the University, subject to the authority of the Board of Governors. The Board of Governors has primary responsibility for the business affairs of the institution.

2. Areas of Responsibility

General Faculties Council (GFC) operates by authority of the *Post-Secondary Learning Act (PSLA)*. According to the PSLA, GFC is responsible for the academic affairs of the university. The full list of GFC authorities is outlined in section 26, and GFC's responsibilities regarding Student Discipline are outlined in section 31. In addition to specified powers and authorities, GFC may also make recommendations to the Board of Governors on any matters considered by the General Faculties Council to be of interest to the university (section 26(1)(o))

The PSLA allows GFC to delegate its responsibilities to GFC standing committees and other persons.

GFC has delegated authority on many matters to GFC standing committees, faculty councils, officials of the University, and other bodies (see Section 6), thus allowing it to focus on high level strategic items of academic significance which include, but are not limited to:

- high level strategic and academic stewardship policy issues or matters of significant academic consequence to the University;
- alterations to the mandate, terms of reference, composition, or structure of a Standing Committee; and
- those matters that a Standing Committee, body, or officer holding delegated authority from GFC considers to be of major strategic significance to or long-term impact on the University.
