

Taking Control of Your Money

How is your financial 'health'?

There are endless choices to be made about what to do with the money you earn and as many options for saving more of it. This course can be a good start if you don't know the basics of money management, or as a refresher if you already have some money management knowledge.

Course Contents

- Why it is important to actively manage your money.
- The hidden costs of living beyond your means.
- How to create a budget and saving/spending plan.
- Small changes that can help you keep more of the money you earn.
- How to avoid common money issues that create conflict for couples and families.

Additional Features

- Self-guided workbooks for completing offline.
- Resources for continued learning.
- Course certificate can be printed following successful completion of course learning quiz.
